6. Remove all non-admin options

7. Headings are not translated

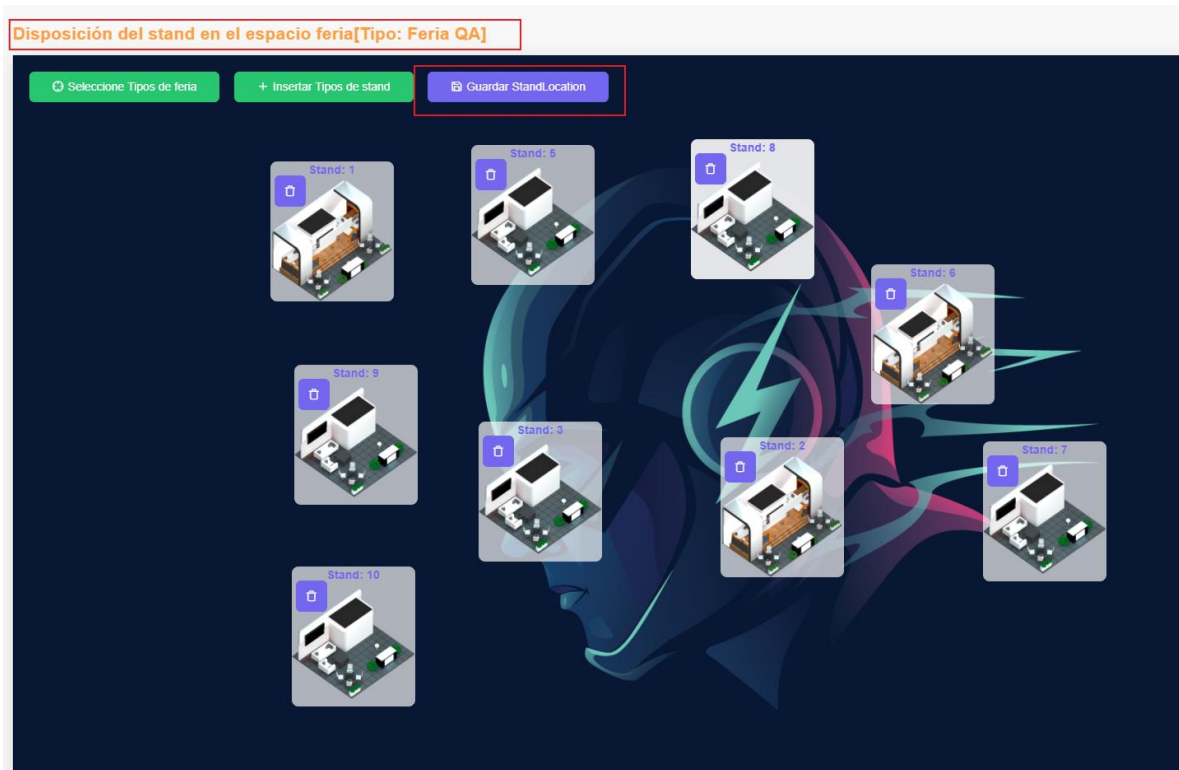

8. In "All fairs" there are 2, but in sustainability there are others, even the select shows many empty options above the first fair.

The screenshot shows the 'Virtual Fair' interface. On the left is a sidebar menu with options: Contacto, Usuario, Usuarios Administrad..., Sala, Feria, and Pago. The 'Feria' menu is expanded, showing sub-options: 'Todas las Ferias' (highlighted with a red box), 'Ferias programadas', 'Feria en vivo', 'Ferias pasadas', and 'Sostenibilidad'. The main content area displays a table of fairs with columns: ID, NOMBRE, FECHA DE INICIO, FECHA DE FIN, LOGO, and ACCIONES. The table contains two rows: 'Expo CR' (ID 4, dates 2020-08-24 to 2020-09-01, logo eTiber) and 'Expo Puerto' (ID 6, dates 2020-09-01 to 2020-09-30, logo Tiber). A red box highlights the table content. Below the table is a 'Selecciones Feria' section with a dropdown menu showing 'Expo CR', 'Expo Puerto', and 'Expo Puerto' (highlighted with a red box). To the right of the dropdown is a 'Guardar Descripción' button. Below the dropdown is a 'Sostenibilidad Imagen' section with a placeholder image and a 'Añadir Imagen' button. At the bottom is a 'Sostenibilidad Contenido' section with a placeholder image and a 'Soltar archivo de imagen o seleccionar Vistazo' button.
